

**Rural Continuing Medical Education Program (RCME)  
Application for Use of Reverted Funds**

Proposals for use of Reverted RCME funds will be considered for approval by the Health Authority Medical Advisory Committee (HAMAC).

**Proposals must meet the following selection criteria for approval:**

Projects/Events must:

1. Be cost effective.
2. Meet accreditation criteria (RCPSC, CFPC or equivalent).
3. Support group activity (except in extremely isolated communities).
4. Meet identified community and physician needs.
5. Meet VIHA's clinical/educational objectives.
6. Not have funding available from other sources.
7. Support library or on-line educational resources.
