

Magnetic Resonance Imaging (MRI) Technologists

Exciting NEW positions available as we expand our magnetic resonance imaging (MRI) services

Island Health is recruiting for a number of NEW positions in different locations on Vancouver Island. We are proud to have a diverse multilingual workforce with a wide range of ages and MRI skill sets. Our technologists have access to build their MRI skills in areas such as Cardiac, Pediatric Imaging, Intensive Care Unit, Prostate, Breast, and Full Sedation Imaging. Additionally, Island Health will be installing a 3T MRI this year, one of the first in the province of BC.

MRI Services are available at the following locations:

- Victoria – Royal Jubilee and Victoria General Hospitals
- Nanaimo – Nanaimo Regional General Hospital
- Comox – North Island Hospital Comox Valley
- Campbell River – North Island Hospital Campbell River & District
- Mobile MRI serving Cowichan District Hospital in Duncan, and West Coast General Hospital in Port Alberni

Our employees enjoy:

- Competitive salaries and an exceptional employer-paid benefits package including: full medical, dental and prescription drug coverage, group life, long-term disability and extensive extended health plan
- Continuing education is coordinated regionally, and regular educational opportunities are available for our team
- Access to numerous local schools and universities to upgrade and diversity professional skills
- Participation in research studies
- Support the training and mentoring of Medical Imaging students who will be tomorrow's professionals

Interested in working with us? We have full-time and part-time opportunities coming soon. Please contact one of our Medical Imaging managers to discuss potential opportunities.
