

EXCITING OPPORTUNITIES FOR ORTHOPEDIC NURSES

OUR TEAMS

Vancouver Island Health Authority (VIHA) enjoys a work environment is influenced by the enviable Island culture. We know you want to work in a place where your skills will be recognized and valued, where you'll have ongoing challenges and work alongside great people, and where your passion for excellence will shine. We have an active Canadian Orthopedic Nurses Association (CONA) Chapter!

We offer a welcoming environment for new staff with a mix of young, dynamic nurses along with many senior staff who love to share their wealth of knowledge.

As an employer, VIHA is pleased to offer you all these things, and so much more. • Competitive Salary • Excellent benefits package including vacation starting at 4 weeks per year • Relocation assistance • 5 paid day's education leave annually.
