UBC Division of Continuing Professional Development – Specialist Journal Club in Internal Medicine

An internist journal club in an online format - the course will involve internists from across the province and will be moderated by a BC internist. The course will run from October 2011 to May 2012, and the articles reviewed and discussed will be on internal medicine topics of your choosing. You will also have a unique opportunity to connect with provincial leaders and your colleagues on selected topics. You can achieve up to 17.0 MOC Section 1 study credits for your participation in this program. The course fee is \$100. The platform of the journal club is user-friendly and any inexperienced users will have all the tech support they need.

Register online at: <https://events.ubccpd.ca/website/index/109687>

Information website: <http://cpdjournalclub.med.ubc.ca> or email: cpdjournalclub@ubc.ca

UBC Division of Continuing Professional Development – This Changed my Practice

Obtain 0.25 Mainpro M1 or MOC Section 2 study credits by reading a posting and filling out an exercise online.
