

Lady Minto Gulf Islands Hospital Salt Spring Island

Come work and play on Vancouver Island’s Southern Gulf Islands!

Known for its great climate, numerous artisans, famous Saturday market and a friendly community, Salt Spring Island is the largest, most populated of the southern gulf islands with approximately 12,000 permanent residents. Salt Spring Island is easily accessible with regular ferry sailings on 3 different routes including Vancouver. Salt Spring has 3 elementary schools, 1 middle school and 1 high school.

Our Team

We are a hard working, committed staff that strive for excellence in our patient care. We enjoy a long-standing, close working relationship between the hospital and the home and community care services.

Benefits

VIHA provides free short term accomodation for new employees. We also provide on-going educational support as part of our commitment to life-long learning.

Our Hospital

As a primary care hospital, we have 18 acute care and 31 extended care beds. Lady Minto Hospital provides general surgery services in gynecology, urology, colposcopy and endoscopy and medical imaging and diagnostics including fluroscopy, ultrasound, and laboratory services.

Other services include:

- 24-hour emergency room coverage
- Helipad
- Maternity Services
- Cardiac Care
- Mental Health
- Rehabilitation
- In-Patient and Out-Patient Services

Community outreach services include:

- Palliative care, nutritional counseling and diabetic clinics, and the Salt Spring Wellness Coordinator program.
- Collaboration with the adjacent long-term care facility, home support services and Salt Spring Community Services Society.

Health Clinics
