Dear neighbour of 1729 Oak Bay Avenue:

Thank you for attending the neighbourhood information meeting on January 8th, 2009 at 1729 Oak Bay Avenue. As you are aware, this location is being proposed for a supportive recovery program to provide a safe, supportive, clean and sober environment for 10 adult men who are in long-term recovery from addiction. On behalf of the Vancouver Island Health Authority, I am pleased to provide additional information regarding the common issues and questions raised at the meeting in the enclosed attachment. The City will be posting when the public hearing will be as per usual protocols.

We thank you for your interest in this project and this important service in the community. Enclosed, please find our Frequently Asked Questions attachment that addresses the most common questions asked at our open house in January. If you have further questions, please contact me at 250-889-4290.

Respectfully,

Linda Johnson
