

POST ANAESTHETIC RECOVERY ROOM NURSING TEAMS!

We are looking for knowledgeable, experienced & dynamic critical care nurses to join our enthusiastic teams in the PARR.

RN's with specialized knowledge in sedation/ analgesia, anesthetic agents and techniques are the key to excellent nursing care of the immediate post-operative surgical patient.

Our hospital's inter-professional teams of registered nurses, anesthetists, surgeons, respiratory therapists, undergraduate nurses and supporting staff care for a variety of post anesthetic patients from the surgical specialties including: cardiovascular, thoracic, neurology, orthopedic, general, gynecology, EENT, urology and plastic surgery.

Positions Available at:

- Victoria General (VGH) & Royal Jubilee Hospitals (RJH), Victoria
- Nanaimo General Hospital (NRGH), Nanaimo
- Cowichan District Hospitals, Duncan
- Campbell River Hospital, Campbell River
- West Coast General Hospital, Port Alberni
- Lady Minto Hospital, Salt Spring Island
