

Approved LABORATORY ASSISTANT Programs

Province	Location	Education Centre/Web site
B.C.	Victoria	Camosun College
	Vancouver	Vancouver Community College
		Stenberg College
	Distance	Thompson River University (distance program)
Alberta	Edmonton	Northern Alberta Institute of Technology (NAIT)

We welcome **Out of Province** applicants who have completed programs that meet the British Columbia Society of Laboratory Science (BCSLs) standard: ie. The Lab Assistant program has a component on specimen processing, phlebotomy (including a practicum component) and Electrocardiograms.

Note: Completion of the OSMLT exam may also be required, dependent on program completed.

For more information, consult the [BCSLs](#) website and refer to the Medical Laboratory Assistant Certification page and the link to the BCSLS Certification Information documentation.
