

Royal Jubilee Hospital Patient Care Centre

March 2010

Attention all VIHA
Staff—your help is
needed!

In April 1889 the
cornerstone for
the original Royal
Jubilee Hospital
was laid.

120 Years later....

In April 2009, the
cornerstone and
time capsule for
the new RJH
Patient Care
Centre was
unveiled.

We need your help
to fill the Time
Capsule with
memorabilia from
the past 120 years
that reflects the
hospital's history
and will help
ensure that the
heritage of the
Royal Jubilee
Hospital lives on!

WANTED

In April 2009, the cornerstone and time capsule for the new
Patient Care Centre at the Royal Jubilee were unveiled.

The time capsule was designed to celebrate the 120-year history of the
Hospital and to ensure our legacy is passed on to future generations
and...

we need YOUR help to fill it!

We are now accepting suggestions for items to be included in the
capsule. All suggestions are welcome and can either be actual items
or photographs of larger items. Be creative! Anything representing
current or past practices at RJH will be considered.

Ideas and suggestions can be made through the PCC Project Office by
emailing: pccsuggestions@viha.ca
