

## Chewing Tobacco Resource List

**Displays below are available for loan through the Tobacco Control Program**

Victoria 250.360.1450

Nanaimo 250.755.6285

Courtenay 250.331.8589

### **The Consequences of Smokeless Tobacco Use**

This display features hand painted 3-D models that show the diseases and conditions that can result from smokeless tobacco-use, the informative, easy-to-understand text is complemented by line drawings. The display is contained within a wooden carrying case.

### **Effects & Hazards of Smokeless Tobacco**

This graphic folding tabletop display reveals the truth about smokeless tobacco-that it is just as addictive and deadly as smoking.

### **Smokeless Tobacco: Spit it Out**

Addressing issues that are important to teens, this folding tabletop display shows smokeless tobaccos negative effects on health and physical appearance and reveals how tobacco advertisements attempt to lure young people into a lifetime of tobacco addiction.

### **Mr. Dip Lip**

This model of the mouth opens and closes from the back like a puppet and flesh-like lips retract to show the effects of dipping on the inner lips, gums and teeth. Only in the south island.
